Art History

Learn art's history and explore its future

Our Art History classes will teach you to apply fundamental art and art historical terminology, and to analyze works, in order to articulate the historical, social, and aesthetic functions of art.

Studio Art

Imagine, create, illustrate, craft

Through our Studio Arts coursework you will get a solid foundation in the various areas of studio art, including ceramics, drawing, jewelry and craft, painting, printmaking, and sculpture. While developing your artistic skills, courses will also prepare you for transfer majors in related fields such as design, photography, cinema studies and other areas of study.
