

# CHILD DEVELOPMENT INSTRUCTIONAL ASSISTANT – OCCUPATIONAL SKILLS CERTIFICATE

Top Code:

1305.00

The Child Development Instructional Assistant curriculum provides students with the necessary skills to seek employment as assistants in instructional programs for young children. Opportunities are available for work with children in a variety of settings including: homes, schools, and public or private agencies concerned with the development and welfare of young children. The program focuses on child psychology, curriculum planning, developmentally appropriate practices, safety, anti-bias environment, and provides practical experience. CPR, First-Aid training, TB and fingerprint clearances are required. Completion of this curriculum with a C or better grade allows the student to apply for the California Child Development permit at the Associate Teacher level.

An Occupational Skills Certificate will be awarded upon completion of all required courses with a grade of C or better.

## Program Outcomes

- Demonstrate through original written and/or oral presentations the ability to identify the theories and practices of the social, emotional, cognitive and physical developmental areas of young children from birth to 8 years of age.
- Demonstrate an awareness of and evaluate the important factors in planning an educational program serving young children from birth to age 8.
- Compare and contrast the skills necessary in working with programs serving children from birth to age 8.
