

COSMETOLOGY

DIVISION: Career and Technical Education

The Cosmetology Program is a 1,600 hour program leading to a Certificate of Achievement, while preparing you to take a State Board test to become a licensed cosmetologist. Courses are hands-on, giving you the practical training you need to succeed in the workforce.

The Cosmetology Certificate of Achievement will prepare you to seek employment as a cosmetologist at a beauty salon. If you are already a licensed cosmetologist, you can pursue our Instructional Techniques in Cosmetology certificate, which prepares you to become a cosmetology instructor.
