MUSIC - ASSOCIATE IN ARTS DEGREE

Top Code:

1004.00

A degree in the Music major from Pasadena City College enables students to develop musical proficiency in Music Theory, Musicianship, Keyboard Harmony and Performance in preparation for transfer to Bachelor of Music degree programs at the university level or for their career goals in the field of music.

Music majors are expected to declare a primary performance area (instrument or voice), undertake applied lessons on their instrument, and perform in a large ensemble.

Please Note: The courses that universities and colleges require for transfer vary. When selecting courses for transfer purposes, students should consult with Counseling Services to determine the particular transfer requirements of specific transfer institutions.

Program Outcomes

- Utilize theoretical principles in the analysis and composition of the music of the common-practice period.
- Hear, internally, the melodic, harmonic, and rhythmic elements of the common-practice period. Display the musicianship skills necessary to participate successfully in various musical endeavors, including performance and composition.
- Present successful solo performances using appropriate repertoire for their chosen instrument/voice with technical proficiency, musicality and stylistic awareness.
- Perform and/or participate successfully in small and large ensembles, using time management and interpersonal skills to assist in the production of a collaborative musical work.
- Using standard music references and resources (reference works, periodicals, software, etc.), write analytical, historical, critical, biographical, and research oriented projects on topics in music.

Requirements for the Major

Courses must be completed with a grade of C or better. All courses must be numbered 001–099. Students must complete all of the following courses:

Code	Title	Units
MUSC 001A	MUSIC THEORY I	3
MUSC 001B	MUSIC THEORY II	3
MUSC 001C	MUSIC THEORY III	3
