

DEGREE AND CERTIFICATE REQUIREMENTS

Certificates of Achievement

Students interested in developing advanced levels of proficiency in a career and technical area may pursue a Certificate of Achievement, which requires the completion of 16 units or more. Pasadena City College currently offers 122 Certificate of Achievement Programs. Employer feedback suggests that strong academic skills are critical for success in today's high-performance workplace. It is, therefore, strongly recommended that students also complete the requirements for the Associate in Science Degree (see here (p. 3)). Students may earn only one Associate in Science Degree with a Certificate of Achievement.

Some programs will include certain subjects required by the College or by state law. Beyond these minimum requirements, programs will vary widely depending upon the vocational or professional goal of the student. Students who change their vocational goals during their course of study may find it impossible to complete the curriculum in the customary span of time and may need to take additional courses. Students should consult counseling services for information about specific requirements, any pre-requisites or co-requisites, and to develop an education plan that will assist them in reaching their goal. Upon completion of the specified curriculum for a Career Technical Education program students may petition in the appropriate division office for issuance of the Certificate of Achievement. Students may earn multiple Certificates of Achievement.

Refer to Course Descriptions (<https://curriculum.pasadena.edu/course-descriptions/>) for information on every course PCC offers. In instances where the help of a counselor is necessary for proper understanding of requirements, the student should not hesitate to contact the Counseling Center.

Occupational Skills Certificates

Students, who want to develop job skills in a special area of occupational education in a short period of time, can earn an Occupational Skills Certificate, which requires 17 units or less.

Associate Degrees

Pasadena City College offers the following Associates degrees:

- Associate in Arts Degree (**AA**)
 - Associate in Science Degree (**AS**)
 - Associate in Arts for Transfer (**AA-T**)
 - Associate in Science for Transfer (**AS-T**)
 - Associate in Science Degree with the Certificate of Achievement (**CTE AS**)
1. **General Education Requirements:** a broad exposure to a variety of areas of study
 2. **Major Preparation:** an in-depth study of a particular field or area of emphasis
 3. **Electives:** courses selected by a student to meet the required units for a degree

These are the rules pertaining to all Associate degrees:

- All of the Associate degrees require at least sixty (60) semester units.
- Upon completion of requirements, a student will be granted an Associate in Arts, Associate in Arts for Transfer, Associate in Science for Transfer, and/or an Associate in Science Degree with or without Certificate of Achievement.
- Students may earn multiple Associate in Arts and (non-CTE) Associate in Science degrees as long they complete the major requirements for the various degrees.
- Students may earn only one Associate in Science degree with a Certificate of Achievement (CTE AS). (**Note:** Students may earn multiple Certificates of Achievement).
- **Responsibility for filing a petition for graduation rests with the student, and all transcripts for high school and prior college work attempted, including test scores, must be on file for the petition to be considered.**
- File the petition for graduation in the Counseling Center by the published deadline for each term.

Requirements for the Associate in Arts Degree (AA) and Associate in Science Degree (AS)

1. A minimum of 60 semester units of degree applicable courses, numbered 001-099.
2. Completion of one major or area of emphasis of at least 18 semester units.
3. Completion of all competency and/or general educational requirements outlined in one of the following general education patterns:
 - a. PCC Local General Education
 - i. Only courses numbered 001-099 may be counted towards the requirements as indicated in Areas A-G.
 - b. CSU General Education Breadth (CSU Breadth)
 - c. Intersegmental General Education Transfer Curriculum (IGETC)
4. A minimum grade point average of 2.00 must be obtained in courses numbered 001-099 completed at PCC and in comparable courses completed at other regionally accredited institutions.
5. At least 12 units of the required 60 units, in courses numbered 001-099, must be completed at PCC. No more than 6 units may be transferred from another college if earned after the student's last enrollment at PCC. Active-duty service members can complete PCC's academic residency at any time they are enrolled. Reservists and National Guardsmen on active-duty are covered in the same manner.
6. Courses **may not** be counted more than once to meet multiple areas of the general education requirements. A course may be used to satisfy both the requirements of a major as well as a general education requirement, but the units shall count only once.
7. The PCC Local General Education pattern does not prepare students for transfer. Students who intend to transfer to a CSU, UC, or private institution are advised to complete the CSU GE Breadth, IGETC, or the unique general education pattern of the private institution.

Requirements for the Associate in Science Degree with Certificate of Achievement (CTE AS)

1. A minimum of 60 semester units of degree applicable courses, numbered 001-399.
2. Completion of a Certificate of Achievement of at least 18 semester units.
3. Completion of all competency and/or general educational requirements outlined in one of the following general education patterns:
 - a. PCC Local General Education
 - b. CSU General Education Breadth (CSU Breadth)
 - c. Intersegmental General Education Transfer Curriculum (IGETC)
4. A minimum grade point average of 2.00 must be obtained in courses numbered 001-399 completed at PCC and in comparable courses completed at other regionally accredited institutions.
5. At least 12 units of the required 60 units, in courses numbered 001-399, must be completed at PCC. No more than 6 units may be transferred from another college if earned after the student's last enrollment at PCC. Active-duty service members can complete PCC's academic residency at any time they are enrolled. Reservists and National Guardsmen on active-duty are covered in the same manner.
6. Courses **may not** be counted more than once to meet multiple areas of the general education requirements. A course may be used to satisfy both the requirements of a major as well as a general education requirement, but the units shall count only once.

Requirements for the Associate in Arts and Associate in Science Degrees for Transfer (AA-T and AS-T)

These degrees are designed to provide a clear pathway to a university major and baccalaureate degree. California Community College students who are awarded an AA-T or AS-T degree are guaranteed admission with junior standing somewhere in the CSU system, Historically Black Colleges or Universities (HBCU), Western Governors University, Southern New Hampshire University (fully online universities), or participating non-profit, independent colleges in California, and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their AD-T major. This priority does not guarantee admission to specific majors or campuses. Students who have been awarded an AA-T or AS-T are able to complete their remaining requirements for the 120-unit baccalaureate degree within 60 semester (or 90 quarter) units at the university. The AD-T may not be the best option for students intending to transfer to a particular CSU campus or to a non-participating university or college. Students should consult with a counselor when planning to complete the degree or for more information on university admission and transfer requirements.

1. A minimum of 60 semester units of degree applicable courses, numbered 001-099.
2. Completion of one AD-T major of at least 18 semester units.
3. Completion of all general educational requirements outlined in one of the following general education patterns:
 - a. CSU General Education Breadth (CSU Breadth)
 - b. Intersegmental General Education Transfer Curriculum (IGETC) for CSU

4. A minimum grade point average of 2.00 must be obtained in courses numbered 001-099 completed at PCC and in comparable courses completed at other regionally accredited institutions.
5. At least 12 units of the required 60 units, in courses numbered 001-099, must be completed at PCC. No more than 6 units may be transferred from another college if earned after the student's last enrollment at PCC. Active-duty service members can complete PCC's academic residency at any time they are enrolled. Reservists and National Guardsmen on active-duty are covered in the same manner.
6. Courses **may not** be counted more than once to meet multiple areas of the general education requirements. A course may be used to satisfy both the requirements of a major as well as a general education requirement, but the units shall count only once.

Philosophy of General Education

General education requirements guide the student toward an intelligent understanding of the whole self and of the physical and social world. These requirements encourage the student to explore different areas of human inquiry not only to gain a basic understanding of these areas, but also to comprehend and use the principles, methods, values and thought processes of these disciplines. These explorations include an examination of the physical universe, its life forms and natural phenomena, human behavior and artistic and creative accomplishments. Basic to these studies and to the student's effectiveness in society is the capacity to think clearly, logically and analytically; to communicate clearly both orally and in writing; to perform quantitative functions; to find information; and to examine and evaluate that information using critical thinking skills.

After completing the general education requirements, the graduate should have the skills, knowledge, and insights to evaluate and appreciate the physical environment, culture, and society. To promote these skills and knowledge, Pasadena City College has developed Institutional Learning Outcomes and Competencies. The major areas of knowledge and skills that these outcomes seek to address are found in Pasadena City College General Education Outcomes. (<https://curriculum.pasadena.edu/general-information/general-education-outcomes/>)

Catalog Rights

When graduation requirements are revised, a student with continuous enrollment may graduate under the new requirements or the requirements in effect at the time of the student's initial enrollment. Continuous enrollment is defined as attending PCC at least one semester during each academic year without missing two consecutive semesters. A student whose first term of enrollment at Pasadena City College is the Summer of 2009 may elect to graduate under the provisions of the 2008–2009 Catalog if he/she maintains continuous enrollment. Students whose first term is the Fall of 2009, or any term thereafter, must follow the provisions of the appropriate subsequent Catalog.

Diversity

PCC Policy #4100 on Graduation Requirements for Degrees and Certificates states that a student who applies for either an AA or AS degree “must demonstrate competency in reading, writing, mathematics **and diversity**.” The Diversity Requirement states **that a student must complete** 3 units in courses designated as either “Global Studies” or “Ethnic and Gender Studies.”

Global Studies

Pasadena City College and the community it serves have long been identified as closely tied to international, cultural and educational affairs. The College provides outstanding opportunities for students wishing to emphasize international education.

General Education course that satisfies Diversity requirement.

²

Only applicable to CTE AS degree requirements.

Area G - Kinesiology/Physical Activity

Complete 2 courses (2 units).

A maximum of 4 units of Physical Education/Kinesiology Activity or Dance (DANC 021A, DANC 021B, and DANC 025 are excluded) may be counted toward the degree. MUSC 061 may be substituted for 1 unit of PE/Kinesiology Activity each semester. Exemption is granted if the student has a physical limitation and submits a physician's recommendation which is approved by PCC Health Services.

Major Requirements

Code	Title	Units
Major		18

Students must select a major from among the choices listed in the PCC Catalog listed under Degrees and Certificates. Completing multiple Certificates of Achievement in the same field of study does not result in multiple Associate in Science degrees being awarded.

California State University General Education Breadth Certification Program

California State University requirements for advanced undergraduate standing and general education are listed below. Requirements for the individual CSU campuses are similar, but students should consult specific catalogs as each may have additional requirements. For instance, a given campus may have added lower and/or upper-division general education

requirements so long as the requirement applies equally to native as well as transfer students.

Under this program, candidates for the Baccalaureate Degree at a CSU must meet the general education requirement of 48 units. A student may currently meet 39 units of this requirement at Pasadena City College. The remaining 9 units must be completed at the upper-division level.

Students expecting to request CSU GE Breadth certification should complete 39 units distributed among categories A through F as noted with no less than 30 units for areas A through D. Areas A and B4 must be fully completed with minimum grades of C- prior to transfer. A single course may not meet more than one area requirement.

Students who complete all requirements of CSU GE Breadth and request certification will have the CSU GE Breadth certification noted on their final transcript. Students are encouraged to meet with a counselor for complete information.

Students whose majors require more than 30 units should consult with a Counselor regarding the advisability of completing all major requirements instead of all general education requirements.

California State University General Education Breadth Requirements

Area A – English Language Communication and Critical Thinking (p. 6)
Complete three courses, 9 semester units (or 12 quarter units) with at least one course each from A1, A2, and A3.

A1 – Oral Communication (p. 12)

A2 – Written Communication (p. 12)

A3 – Critical Thinking (p. 12)

Area B – Scientific Inquiry and Quantitative Reasoning (p. 7)
Complete three courses, 9 semester units (or 12 quarter units) with at least one course each from B1, B2, and B4, including at least one associated laboratory course in B3.

B1 – Physical Sciences (p. 12)

B2 – Life Sciences (p. 13)

B3 – Laboratory Activity (related to a lecture course taken to satisfy either B1 or B2) (p. 13)

B4 – Mathematics/Quantitative Reasoning (p. 14)

Area C – Arts and Humanities (p. 8)
Complete three courses, 9 semester units (or 12 quarter units) with at least one course each from C1 and C2.

C1 – Arts (e.g., Arts, Cinema, Dance, Music, Theater) (p. 14)

C2 – Humanities (e.g., Literature, Philosophy, Languages Other than English) (p. 15)

Area D – Social Sciences (p. 10)
Complete two courses, 6 semester units (or 8 quarter units).

Area E – Lifelong Learning and Self-Development (p. 11)
Complete one to two course, 3 semester units (or 4 quarter units).
Maximum of one unit of Dance Activity or PE/Kinesiology Activity (KINA).

Area F – Ethnic Studies (p. 11)
Complete one course, 3 semester units (or 4 quarter units).

American Institutions Requirement (p. 21)
Not required for CSU GE Breadth certification. All CSU campuses have a graduation requirement in U.S. History, Constitution, and American Ideals. This requirement may be met at Pasadena City College by completing two courses: one course in U.S. History (within Area C2 or D) and POLS 001 (within area D).

Intersegmental General Education Transfer Curriculum

The Intersegmental General Education Transfer Curriculum (IGETC) permits a student to transfer from a community college to a campus in either the California State University or the University of California system without the need, after transfer, to take additional lower division general education courses to satisfy campus GE requirements.

Completion of the IGETC is not a requirement for transfer to a CSU or a UC, nor is it the only way to fulfill the lower division general education requirements of the CSU or UC prior to transfer. As an alternative, students transferring to the CSU may choose to follow the CSU General Education Breadth pattern. Students may also elect to fulfill the graduation requirements listed in the catalog of any specific CSU or UC campus.

Students who complete all requirements of IGETC for CSU or UC and request certification will have the IGETC certification noted on their final transcript. Students are encouraged to meet with a counselor for complete information.

Due to substantial lower division prerequisites in high-unit majors such as engineering, architecture, and the physical and natural sciences, IGETC may be an inappropriate option. Individual colleges or majors within a UC campus may not accept IGETC for meeting general education. A list of those UC colleges and majors is found on the UC website (<https://admission.universityofcalifornia.edu/admission-requirements/transfer-requirements/preparing-to-transfer/general-education-igetc/>). Please consult a PCC counselor for additional information.

If IGETC is chosen as the option to fulfill the general education requirements, all areas must be met with minimum grades of C or Pass prior to transfer.

Intersegmental General Education Transfer Curriculum Requirements

Area 1 - English Communication (p. 22)

Complete two courses, 6 semester units (or 8 quarter units) with at least one course each from 1A and 1B. Students transferring to a CSU must also complete one course, 3 semester units (or 4 quarter units) from 1C.

1A - English Composition (p. 22)

1B - Critical Thinking/English Composition (p. 22)

1C - Oral Communication (CSU requirement only) (p. 22)

Area 2 - Mathematical Concepts and Quantitative Reasoning (p. 22)

Complete one course, 3 semester units (or 4 quarter units).

Area 3 - Arts and Humanities (p. 22)

Complete three courses, 9 semester units (or 12 quarter units) with at least one course each from 3A and 3B.

3A - Arts (p. 22)

3B - Humanities (p. 23)

Area 4 - Social and Behavioral Sciences (p. 25)

Complete two courses, 6 semester units (or 8 quarter units) from at least two academic disciplines.

Area 5 - Physical and Biological Sciences (p. 26)

Complete two courses, 7 semester units (or 9 quarter units) with at least one course each from 5A and 5B, including one associated laboratory course in 5C.

5A - Physical Sciences (p. 26)

5B - Biological Sciences (p. 27)

5C - Laboratory Science (p. 27)

Area 6 - Language Other than English (UC requirement only) (p. 27)

Complete the equivalent of two years of high school study in a single language other than English.

Area 7 - Ethnic Studies (p. 28)

Complete one course, 3 semester units (or 4 quarter units).

American Institutions Requirement (CSU on (p. 29)ly) (p. 21)

Not required for IGETC certification. All CSU campuses have a graduation requirement in U.S. History, Constitution, and American Ideals. This requirement may be met at Pasadena City College by completing two courses: one course in U.S. History (within Areas 3B and 4) and POLS 001 (within Area 4).
