Top Code:

0504.00

The curriculum prepares students for careers in entry-level banking, investment firms, insurance companies, and firms providing financial advice in buying and selling of stocks, bonds, or shares in mutual funds.

A Certificate of Achievement is awarded upon completion of all required courses with a grade of C or better.

Program Outcomes

- Explain the various ways by which business enterprises are financed, including the legal elements of financing a business.
- Achieve mastery and confidence working with whole numbers, fractions, and percents and use these skills in everyday business transactions.
- Describe financial controls that may be used to keep a business successful.
