

DANCE

DIVISION: Performing and Communication Arts

Dance is not just a recreational activity, but a form of art at PCC. As a PCC dance student, you will have the opportunity to not only study over four levels of ballet, modern, and jazz dance classes but the chance to also take a variety of courses ranging from choreography to dance history.

Our Dance Department provides the opportunity to learn dance techniques and history from an exceptionally trained faculty whose varied backgrounds offer a dynamic range of expertise. Our department is an institutional member of the American College Dance Association (ACDA) and we participate in their annual regional conferences and festivals. We are proud to offer rigorous training for our advanced dancers, while also providing a strong and supportive environment for our beginning level dance students where they can start from scratch. What really sets our Dance Department apart from others is that you'll also have the unique opportunity to perform in one of our annual productions, even if you're an entry-level student!
