

# MUSIC ENTREPRENEURSHIP – ASSOCIATE IN SCIENCE DEGREE, CERTIFICATE OF ACHIEVEMENT

Top Code:

1005.00

The Music Entrepreneurship Certificate at PCC is designed to embolden music students towards successful and sustainable careers in a rapidly changing artistic and business climate. In this program, students gain a portfolio of practical business-oriented skills as well as skills critical to the current musician like audio and video editing, effective music notation, concert or recital planning and the management of teaching studios. The program also develops entrepreneurial, creative, and collaborative skills, and can be completed on its own or in conjunction with a traditional music degree.

A Certificate of Achievement is awarded upon completion of all required courses with a grade of C or better.

## Program Outcomes

- Accurately describe current and emerging trends in the music industry, including new and emerging career trajectories.
- Exhibit flexibility with, and creative use, of audio, visual, musical and internet technology for use in the creation and promotion of their professional output.
- Develop effective business correspondence, such as business plans, marketing materials, and the like.
- Demonstrate an understanding of personal financial skills and the essential business skills required for a career in the music industry.
- Create a portfolio-level project, such as a recital, recording project, music video or business plan, that demonstrates skills in project planning, business, music, technology and entrepreneurship.
