

VIDEO OPERATIONS – OCCUPATIONAL SKILLS CERTIFICATE

Top Code:

0604.20

This curriculum prepares students for entry-level positions in the commercial and corporate television industries. Cable and satellite TV distribution continues to expand. Qualified master control operators, tape operators, duplication technicians and ingestion operators will be required for both new and traditional forms of television distribution.

An Occupational Skills Certificate is awarded upon completion of all required courses with a grade of C or better.

Program Outcomes

- Apply production techniques to aural and visual media.
- Demonstrate professional conduct, including collaborative skills and abilities.
- Demonstrate technological proficiency.
