JOB SEARCH AND APPLICATION PROCESS FOR STUDENTS WITH DEVELOPMENT DIFFERENCES – CERTIFICATE OF COMPLETION

This program is designed for adults with developmental and/or intellectual differences who have an interest in finding realistic and meaningful employment. In this program, students will examine a variety of job search methods, review ethics and job accommodations, and explore the job application and interview processes including creating a resume and cover letter, completing a sample application, and participating in mock interviews.

Program Outcomes

- Examine a variety of job search methods.
- Discuss ethics and job accommodations.
- Explore the job application and interview process.
