GED (BILINGUAL) - CERTIFICATE OF COMPETENCY

The General Education Development-Bilingual program prepares students for the General Education Development (GED) Spanish exam. The curriculum also serves as a pathway to other noncredit and credit programs. Students gain knowledge in college and career readiness, including career exploration and study skills. Services include test-taking strategies, hands-on computer practice testing, academic counseling, individual follow-up, and easy access to local GED testing center.

A Certificate of Competency is awarded upon completion of required courses.

Program Outcomes

- Demonstrate understanding of the concepts in language arts, mathematics, science, and social science that prepare students to pass the General Education Development (GED) Spanish exam.
- Demonstrate critical thinking skills to observe, analyze, synthesize, and evaluate ideas and information.
- Read with understanding and convey ideas effectively in writing.
- Demonstrate knowledge of mathematical concepts and procedures to answer a question, solve a problem, make a prediction, or carry out a task that has a mathematical dimension.
